

PUBLIC HEALTH DEPARTMENT[641]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 144.3, the Iowa Department of Public Health hereby gives Notice of Intended Action to amend Chapter 95, “Vital Records: General Administration,” Iowa Administrative Code.

The proposed amendments clarify restrictions on creating an alternative system for the registration of vital statistics, remove restrictions regarding obtaining vital records from the county level and clarify that the intent of rule 641—95.2(144) is to prohibit the establishment of another official system of registration of vital statistics—not to prohibit, for example, the routine publication of vital records information such as births in the local newspaper.

Any interested person may make written suggestions or comments on the proposed amendments on or before December 13, 2016. Such written comments should be directed to Melissa Bird, Iowa Department of Public Health, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319. E-mail may be sent to melissa.bird@idph.iowa.gov.

There will be a public hearing on December 14, 2016, from 9:30 to 11 a.m., at which time persons may present their views either orally or in writing. At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the amendments. This hearing will be conducted in Room 518, Lucas State Office Building, 321 E. 12th Street, Des Moines, Iowa 50319. Persons may join the meeting by dialing the toll-free telephone number 1-866-685-1580 and entering code number 9327091718 when prompted. Participants will be asked to provide their first and last names. The call will be recorded as required for a public hearing. Any persons who intend to attend the public hearing and have special requirements, such as those related to hearing impairments, should contact the Department and advise staff of specific needs.

After analysis and review of this rule making, no impact on jobs has been found.
